

**Chilton Public School  
Screening and Registration for  
3 year old and 4 year old  
Kindergarten  
2019-2020 School Year**

Registration is now open for 3 year old Kindergarten (3K) (new for the 2019-20 school year) and 4 year old Kindergarten (4K) at Chilton Public Schools. Children must be 3/4 by September 1<sup>st</sup>. Both programs will have the option of wrap around childcare on either a part time or full time basis Monday-Friday. Please stop in the Elementary School Office, 421 Court Street, to pick up a registration folder. Students going into 4 year old Kindergarten will also be scheduling a screening appointment for either February 13<sup>th</sup> or 14<sup>th</sup>. More information can be found on our website at [www.chilton.k12.wi.us](http://www.chilton.k12.wi.us) or by calling 920-849-9388.

**All families are encouraged to participate in  
4K screenings for their children**

The purpose of the developmental screenings is to check on the child's overall development and to determine if the child may need further testing or services prior to kindergarten. Many programs and services for children who may need support before 5K are offered by the Chilton School District and will help each child to achieve school success. Parents with children who will be 4 by September 1, 2019 are asked to pick up screening/registration materials from the Chilton Elementary School Office sometime during the weeks of January 21<sup>st</sup> through February 8<sup>th</sup>. An appointment for screening on February 13<sup>th</sup> or 14<sup>th</sup> will be made at this time. Parents with children who will be 3 by September 1st, 2019 may also pick up registration materials during this time – 3 year olds will not be screened. Please see our website for more information about the 3K program.

All 4 year-olds are eligible to be screened even if they are not going to be attending the district's 4 year-old Kindergarten program. Children who are 5 by September 1, 2019, who are not presently attending the Chilton district 4 year-old Kindergarten program, also need to register their child for the 5 year-old Kindergarten program.
