Learner Objective #2: Students will learn about the history of Wisconsin (See specific themes in standards).

- Understand the past using artifacts, documents, letters, diaries, maps, textbooks, photos, paintings, architecture, oral presentations, graphs, and charts.

You would continue to bullet items under these objectives that are things you ACTUALLY TEACH. Remember this is just a sample and not necessarily an accurate account of 4th grade social studies. What do you want students to know by the time they finish your course???? That is what this document answers.
