

July 2018

Dear Parents and Students,

On behalf of the entire school district we want to welcome you back to another school year!

As most of you are aware, as a district, we are moving to an "on-line" registration process. We have sent notifications earlier, that parents will need to have a Powerschool Parent Portal created to register your child for school in the fall. This is a reminder, that if you have not created that account, we ask that you do so now. We are including a copy of the original letter explaining how to access your account information. If you have a parent portal created, please disregard this portion of the mailing---All families will be receiving an email with information on registering your children.

Our district will be having two registration/fee collection days for the upcoming school year. The first date will be July 17th, at the Chilton High School commons from 10:00 a.m. – 6:30 p.m. and on August 14th taking place at the Elementary/Middle school cafeteria 10:00 a.m. to 6:30 p.m. On these days, we will have computers available to assist with the on line registrations if needed, and collect fees if you need to pay by cash or checks. **If you need to pay via credit/debit card, you may do so through e-funds. There is a link located on our website.**

With all these changes, we want you to know we are here for questions---please contact us and we will work with you to get answers. We also ask that you check out the district website at www.chilton.k12.wi.us regularly. We post lots of information and have many links to documents and programs that involve your child/children.

Things you will be able to take care of on registration nights are:

- Lunch Money (Cash or Checks only)
- Buy conference athletic passes
- Pay Instructional fees/Class fees
- P/U schedules
- Drop off /pick up physical cards
- Drop off necessary paperwork to turn in.
- Access computers to complete the registration process
