

Chilton Elementary School Late Fall Newsletter  
Mrs. Schuster - Principal 920-849-9388 [schusterp@chilton.k12.wi.us](mailto:schusterp@chilton.k12.wi.us)

## Winter Wear

If your child is in need of a winter coat or snow pants and it is a financial hardship for you right now to buy them – please let me know. We have some very nice new and gently used coats and snow pants available that we can give to students in need.

## Outside

The children will be going outside as much as possible for phy-ed along with recess. With the ever changing Wisconsin weather – it is best to dress in warm layers. Sending a sweater or sweatshirt every day just in case would be a good idea. Some phy-ed classes are early in the morning before it has had a chance to warm up a little and that extra layer is helpful.

## FREE lunch and nutrition/snack break

A reminder that school lunch and snack is free this year for all students! Also, if your child has to go virtual due to quarantine – you can pick up their lunch and snack for them at the high school on Tuesday and Thursday for the week. If the child chooses ala cart – they are charged though – so keep that in mind. Contact Lynn at [pendleton@chiltonsd.org](mailto:pendleton@chiltonsd.org) or 849-2393 to arrange pick up. **ALL students will be bringing home a snack and a lunch on Tuesdays for no school Wednesdays.**

## Thanks for your parent teacher conference attendance!

I know that conferences were very different this year – thank you for meeting with teachers as we work together to help your children be successful in school!

## Masks

Please make sure your child has a mask for school every day that fits them. Many of them struggle to keep them up over their noses – especially the “gaiter” type. Have your child put their masks on at home over their noses and walk around for a bit – if it slides down – it is not the best choice to wear to school.

## Concerts, Carols, and Cocoa

Mark your calendars for the evening of December 21<sup>st</sup> – we will be enjoying a virtual elementary music experience together! More information will be coming home from Mrs. Tieg's our music teacher. Also, refer to the December calendar for our December activity and dress-up days!
