Thank you for participating in our Meals-to-Go Summer Program! The following is important information about the breakfast meals you will receive during Summer School each week, 1 breakfast for each day Monday through Friday, per child. Breakfasts that are sent home are meant to be eaten the following morning. Since there is no Summer School on Fridays, we will send home Friday and Monday's breakfast on Thursday with your child.

- Please place all items in a refrigerator (set to 40° F) prior to serving.
- Always wash your hands with warm soapy water before preparing foods.
- Please discard food if it has been left out at room temperature, leftovers in your fridge after 3-5 days, or if it has expired.

The meals are planned to provide well-balanced, healthy meals that meet the nutritional and energy needs of children. Below is the suggested daily menu, with the intended portion size for each menu item.

Breakfast

Monday June 8	Tuesday June 9	Wednesday June 10	Thursday June 11	Friday June 12
