

Chilton Public Schools

**Summer School
2023**

The Chilton School District once again will be providing summer school opportunities. As in the past, we continue to strive to provide a variety of opportunities to allow diverse options for our students. Summer School will run from 8:00-12:00 Tuesday May 30th - Thursday June 15th, with no classes on Friday.

Due to driveway and parking lot construction at the elementary and middle school, all classes will be held at the high school. All traffic for summer school will enter and exit from Highway 151 or Quinney Road. Parents will drop off and pick up students at Entrance A, the main entrance by the gym.

All classes will be 55 minutes in length. At 11:40 we will be providing free lunch to all students that attend summer school from 11:40-12:00 p.m. in the High School Commons. These lunches must be eaten at school. We do need some basic information from you to help us make sure we have the correct amount of food each day. During the registration process there will be a question that asks if your child would like to have lunch or not. This information is used to assist us in making the correct number of meals each day.

Classes will begin with students entering 5K and extend through high school. All students are able to select from a variety of options spanning from arts and crafts, sports, outdoor activities, and much more. We will also be offering remedial math and reading classes. We are excited to offer many great opportunities for each grade level and we hope all students are able to attend with the addition of bussing. If you are requesting bussing for your son or daughter you will need to make sure to select the box "transportation needed" when you register for classes. Bussing will be for anyone living 2 miles or further out from Chilton Middle School. The Chilton Library will be the location of an in-town drop off point. Buses will depart from the school at 12:00 p.m. each day at the completion of lunch.

The course catalog will be available on-line April 4th. On-line registration will be open April 25th through May 16th. Please log on to the school web page to access the summer school signup link. As we prepare for class sizes, teacher aides and staffing, we will not accept any late registrations. Class sizes are limited and will be offered on a first come first serve basis.

If you have any issues with registration or forgot your passcode, please contact Ann in the Middle School office, 920-849-9152 for assistance.

Respectfully,

The Summer School Team:

Becky Lemke

Ann Hanamann

Matt Kiel

Alphabet Adventures

Students in this class will have an exciting time learning the letters of the alphabet. We will play games, read books and create craft projects. **GRADES:** [Incoming 5K - 1st grade.](#)

Class time: 8:00:00 AM 9:00:00 AM

Instructor: Elizabeth Rodriguez

Room:

Cost: \$5

Alphabet Soup

Students will dive into learning letters. They will learn how to look at them, sort them and make them correctly using playdough, wikki stix and magnetic letters, as well as other materials. **GRADES:** [Incoming 5K - 2nd grade.](#)

Class time: 9:00:00 AM 10:00:00 AM

Instructor: Faye Kohlbeck

Room: High School - H1046 Classroom

Cost: \$2

Art in Nature

Explore the natural world through art. In this course we will create artwork with natural materials, draw and paint outdoors, and enjoy the beauty that is all around us. **GRADES:** [Incoming 2nd - 4th grade.](#)

Class time: 11:00:00 AM 12:00:00 PM

Instructor: Angie Meier

Room: High School - H1071 Classroom

Cost: \$5

Arts and Crafts I

Have fun being creative while exploring a variety of different arts and crafts materials. We will create with clay, paint, draw, bead and sew. Each day will be something new and exciting! **GRADES:** [Incoming 5K - 2nd grade](#).

Class time: 8:00:00 AM 9:00:00 AM

Instructor: Rosemary Stenklyft

Room: High School - H1024 Distance Learning Classroom

Cost: \$8

Arts and Crafts II

Have fun being creative while exploring a variety of different arts and crafts materials. We will create with clay, paint, draw, bead and sew. Each day will be something new and exciting. **GRADES:** [Incoming 3rd - 6th grade](#).

Class time: 8:00:00 AM 9:00:00 AM

Instructor: Megan Leisgang

Room: High School - H1074 Classroom

Cost: \$8

Baseball and Softball

Students will learn baseball fundamentals including throwing, fielding, hitting, base running, and other necessary tools to be a better player. There will be game-like activities that will test your baseball and softball skills. **GRADES -** [Incoming 6th - 9th grade](#).

Class time: 9:00:00 AM 10:00:00 AM

Instructor: Daynen Pethan

Room: High School - H1075 Classroom

Cost: \$0

Basketball Drills & Skills I

Enjoy playing basketball by improving hand-eye coordination and fast decision making skills. Become a better dribbler, passer and shooter with helpful drills. Learn and play the popular basketball games like Lightning, Around the World and 21 to continue applying your skills. **GRADES:** [Incoming 4th - 6th grade.](#)

Instructor: Daynen Pethan

Room: High School - H1075 Classroom

Cost: \$0

Bats & Balls

Learn a variety of skills through the game of baseball & basketball with math games, map skills and friendly versions of the game. (Please bring a glove along!) **GRADES:** [Incoming 3rd - 5th grade.](#)

Class time: 8:00:00 AM 9:00:00 AM

Instructor: Daynen Pethan

Room: High School - H1075 Classroom

Cost: \$0

Beginning Knitting

Students will learn the beginning skills of knitting and make simple items like a headband, potholder, or scarf. Students may learn how to finger knit, use looms, and traditional knitting needles. Students who already know how to knit may create advanced projects. **GRADES: Incoming 4th - 8th grade.**

Class time: 8:00:00 AM 9:00:00 AM

Instructor: Sue Salzsieder

Room: High School - H1064 Library

Cost: \$8

Books and Board Games

Students will read exciting books and create a board game using the information from the text. Tag board, markers and colored pencils will be provided. **GRADES: Incoming 2nd - 4th grade.**

Class time: 8:00:00 AM 9:00:00 AM

Instructor: Faye Kohlbeck

Room: High School - H1046 Classroom

Cost: \$3

Books and Crafts

Each day we will work on our reading skills, as well as make a craft that goes along with our book. Our goal is to increase reading and comprehension skills, but also make meaningful memories. **GRADES: Incoming 1st - 3rd grade.**

Class time: 11:00:00 AM 12:00:00 PM

Instructor: Megan Leisgang

Room: High School - H1074 Classroom

Cost: \$2

Brilliant Bricks

Turn plain bricks into brilliant works of art! Students will paint different shaped bricks to create an animal, seasonal projects, and more to decorate your house or yard.

Middle School Here I Come

AUGUST 7

Do you know how to open a locker? What supplies are needed to be a successful middle school student? Where will you find your exploratory classes? What are exploratories? This course is designed to help you understand what middle school is all about and give you answers to your questions. Each student will get a daily schedule of their classes, a tour, a supply list, and meet the principal for a short introduction to middle school life. [This class is for incoming grade 5 students.](#)

Class time: 8:00:00 AM 11:00:00 AM

Instructor: Kay Biese

Room: Middle School - M126 Classroom

Cost: \$0
